

## **Export Control and Sanctions Compliance**

SAP Pioneer software and services (including Software-as-a-Service) are subject to the export control and sanctions laws of various countries, including without limitation, the laws of Germany, the European Union, the United Kingdom and the United States of America.

### **Destination Restrictions**

Considering the above, SAP Pioneer software and services (including Software-as-a-Service) are not available, neither directly nor indirectly via a third party, for export, reexport, transfer and/or use in the following countries/regions (subject to change without notice):

- Belarus
- Cuba
- Iran, Islamic Rep.
- Korea, Dem. People's Rep. (North Korea)
- Russian Federation
- Syrian Arab Republic
- Ukraine regions of Donetsk, Luhansk, Crimea and Sevastopol

Additionally, transactions with or related to certain destinations that pose an elevated risk for SAP Pioneer are subject to enhanced due diligence requirements, which may include authorization from the competent authorities.

### **Export Classification**

Information on export classification is available on request.

**Disclaimer:** This Export Control and Sanctions Compliance web page is for general informational purposes only and does not constitute legal advice by SAP Pioneer as to any set of facts, nor does it represent any undertaking by SAP Pioneer to keep the user advised as to all relevant U.S. or EU export control or sanctions laws. SAP Pioneer encourages users to seek competent legal counsel for advice.
