Certificate

PricewaterhouseCoopers LLP has assessed whether the information security management system at

SAP Fioneer GmbH

Robert-Bosch-Straße 35 Walldorf 69190 Germany

meets the requirements of the standard noted below (the Requirements).

ISO 27001:2022 Information Security Management System

Scope of Certification

Standard Software Development, Standard Software Maintenance, End-to-End Support, and ESG Software as a Service administered under a centrally led group-wide corporate management system.

Statement of Applicability Version 3.3 dated 26 August 2026

Management is responsible for ensuring the management system meets the Requirements.
Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 and 27006 management systems assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The ISO standards can be found at www.iso.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of 27 October 2026.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
